## II Precautions when enrolling ご加入時におけるご注意事項

1. Disclosure obligation

Items on the enrollment request form and so on with a ★ or ☆ mark next to them are important items (disclosure items) required for enrollment, and therefore must be filled in accurately (the right to receive disclosure lies with the agent of Tokio Marine & Nichido Fire Insurance). If the entered content differs from the actual facts, or if the actual facts are not entered for disclosure items, enrollment may be canceled, preventing insurance payments from being made.

A ☆ mark is indicated next to disclosure items and notification items. Please refer to "III-1 Notification obligation, etc." later in this document for details on notification items. Similarly, if making changes to the enrollment information following enrollment in the form of additional coverage, the following items must be disclosed when the changes are made.

[List of disclosure items and notification items]

☆: Disclosure items and notification items

- Job or duties, etc. if the insured person in question is engaged in work \*1
- Public healthcare insurance system in which the insured person in question is enrolled \*2
   ★: Disclosure items

Date of birth of the insured person in question

- Content of any other insurance contracts, etc. \*3 that have been concluded
- \*1 Includes cases where taking a new occupation, or quitting an existing one.
- \*2 Both disclosure items and notification items (  $\updownarrow$  ) are required only if the medical expense coverage special provision has been set.
- \*3 This refers to a concluded insurance contract or mutual aid contract other than this contract for which the payment responsibility is entirely or partially the same as this contract. If another insurance contract and so on has been concluded, there may be cases, depending on the content of the other contract, in which Tokio Marine & Nichido Fire Insurance is unable to undertake the insurance.

Cooling off

There is no cooling off period for the enrolled insurance.

3. Death beneficiary

If designating a particular person as the death beneficiary of Comprehensive Life Insurance (Comprehensive Child Coverage), always obtain the consent of the insured person (if no one is designated, the death benefit shall be paid to the legal heir.)

Enrollment will be invalid if enrolling without obtaining consent. If designating a particular person as the death beneficiary, please discuss enrollment in this insurance with the family and so on of the insured person.

If wishing to designate the death beneficiary, please notify the inquiry contact listed in the pamphlet and so on.

## III Precautions following enrollment ご加入後におけるご注意事項

## 1. Notification obligation, etc.

[Notification items]

If changes are made to the content of items with a ☆ mark next to them (notification items) in the enrollment request form and so on, please notify the inquiry contact listed in the pamphlet and so on without delay. The insurance payment made may be reduced if no contact is made. Please note that notification items differ for each product purchased, and that depending on the product, there may be cases in which items with a ☆ mark next to them do not apply to notification items. Refer to the abovementioned "II-1. Disclosure obligation [List of disclosure items and notification items]" for details of notification items for each product purchased.

#### [Other items for which notification is required]

Common to all products

If making a change to the address and so on of the enrollee, please notify the inquiry contact listed in the pamphlet and so on without deláy.

[Changes following enrollment]

After joining, if you would like to modify the content or cancel, please contact us before the modification / cancellation date. During the coverage period, if you no longer become eligible for this insurance coverage, you will have to go through the cancellation procedure. However, there are cases where it may possible to continue the coverage until the end of the insurance period, so please contact the contact information provided on the brochure, etc.

If receiving an insurance payment claim within 1 month of a change to the enrollment information, for the sake of caution, please notify the person in charge listed in the pamphlet and so

2. When canceling the insurance contract

If canceling enrollment, please notify the inquiry contact listed in the pamphlet and so on.

Depending on the enrollment information and contract termination conditions, insurance premiums may be returned, or unpaid insurance premiums may be billed \*1 using Tokio Marine & Nichido Fire Insurance's prescribed calculation method. The sum for the insurance premium being returned or billed will differ depending on the insurance premium payment

method and reason for termination of contract.

Even if insurance premiums are being returned, as a rule, the returned sum shall be less than the amount obtained by deducting the insurance premium calculated on a "monthly basis" for the elapsed portion of the policy duration \*2 from the insurance premium already paid.

If terminating the insurance contract and enrolling anew without waiting for the maturity date, there may be cases in which coverage and insurance premiums change, and where services

are no longer available.

\*1 Bills for insurance premiums may be received after the day on which the contract is terminated.

\*2 This refers to the period that has already elapsed up to the contract termination date from the start date, including that

3. Termination of contract at the request of the insured person

In the comprehensive life insurance (child insurance), there is a system in place, which allows for those having been insured to cancel the insurance, if they request it. For further information about the system and procedure, please contact the contact information stated on the brochure, etc. We hope you can explain this content to all those who have been insured.

### When the maturity date is reached

[If renewal is restricted following end of insurance period]

Depending on the insurance payment claim status and age of the insured person and so on, there may be times when future renewals are refused, or underwriting conditions are restricted.
 If revisions are made by Tokio Marine & Nichido Fire Insurance

to the standard policy terms, special provisions, or system and so on pertaining to insurance underwriting, the content on the renewal date shall apply for coverage following renewal. As a result, there may be cases in which the coverage content and so on following renewal is changed, or in which renewal is not possible.

### IV Other points of notice その他ご留意いただきたいこと |

#### Personal information handling

Please check the <Information relating to the handling of personal information> on the reverse side of the Payment Handling Slip.

 In order to prevent the purposeful causing of incidents involving fraudulent accident insurance contracts to multiple nonlife insurance companies and so on, and to ensure that insurance payments are made appropriately, promptly, and reliably, insurance companies verify the status of insurance contracts involving the same insured person or same incident, and the status of insurance payment claims against information registered with The General Insurance Association of Japan. Please note that this information shall not be used for purposes other than the above.

#### 2. Contract terminations due to enrollment cancellation, invalidation, or important reason

If designating a person other than the heir - at - law as the death beneficiary of Comprehensive Life Insurance (Comprehensive Child Coverage) when the insured person is other than the enrollee, enrollment shall be invalid without the consent of the insured person.

If acknowledged that the contracting party, insured person, or insurance payment beneficiary is affiliated with a gang or falls under any other antisocial forces, Tokio Marine & Nichido Fire

Insurance reserves the right to cancel enrollment.

 Enrollment may be canceled, invalidated, or terminated based on other reason's, policy terms, and so on.

3. Handling following insurance company failure In cases such as where the business of the insurance underwriter fails, there may be cases in which insurance payments, refunds and so are frozen for a certain period of

time, or the sum involved is reduced.

If the business of the insurance underwriter fails, this insurance shall be subject to coverage by the "Non-life Insurance Policy-holders Protection Corporation of Japan," and insurance payments and refunds shall be as shown in the following table for each type of coverage.

Insurance period	Handling in cases such as business failure
Within 1 year	Coverage shall be provided up to 80% as a rule (100% for insurance payments relating to insurance incidents occurring up to 3 months following the stoppage of payment by the failed insurance company).
Over 1 year	Coverage shall be provided up to 90% as a rule. However, coverage may be less than 90% if there are any changes to the assumed interest rate and so on following failure.

## Other precautions relating to enrollment

● The agent for Tokio Marine & Nichido Fire Insurance shall perform a proxy service including tasks such as concluding insurance contracts and managing contracts based on a consignment contract concluded with Tokio Marine & Nichido Fire Insurance

Consequently, contracts validly settled with the agent for Tokio Marine & Nichido Fire Insurance shall be contracts concluded directly with Tokio Marine & Nichido Fire Insurance.

It is important to check the enrollment information on the enrollee slip. When the enrollee slip arrives, make sure that the enrollment information is as intended. Furthermore, please store material such as the pamphlet and enrollment request form containing enrollment information until the enrollee slip has arrived. Please ask the inquiry contact listed in the pamphlet if there is anything about which you are unsure. Please note that the pamphlet and so on contains information important for enrollment, and therefore after reading through, it should be stored together with the enrollee slip until the end of the insurance period

If the insurance contract is a co-insurance contract, each insurance underwriter holds sole responsibility, without any collaboration with other companies, for insurance contracts based on the respective underwriting shares. Furthermore, the managing insurance company acts as proxy and agent for other insurance underwriters. Please refer to the reverse side of the

pamphlet for details on insurance underwriters.

### 5. When an incident occurs

 Please notify the inquiry contact listed in the pamphlet and so on immediately if an incident occurs.

With respect to the personal liability coverage special provision, out-of-court settlement negotiations involving incidents in which the student in question is liable must be conducted while consulting with Tokio Marine & Nichido Fire

 In order to claim insurance payments, it may be necessary to submit the following documents or evidence in addition to

documents stipulated in the policy terms.

Documents such as proof of personal seal registration, certified copy of resident register, or copy of family register in order to verify the legitimacy of the insured person or insurance

paymen't beneficiary

 Medical certificate, receipt, or medical bill and so on issued by a physician other than the insurance person offering evidence of the extent of the injury or illness as stipulated by Tokio Marine & Nichido Fire Insurance, as well as treatment details, treatment period and so on (There may be cases in which the submission of a medical certificate issued by a physician specified by Tokio Marine & Nichido Fire Insurance, or sample and so on for medical examination is required.)

Tokio Marine & Nichido Fire Insurance Document which can be used to verify sums paid by high-cost

medical care benefit systems · Document which can be used to verify fringe benefit payments

· Written consent form used to verify the items necessary for

Tokio Marine & Nichido Fire Insurance to make insurance payments

In case an insured person or a recipient of the insurance benefit cannot claim the benefit for some reason and there is no insured person who appointed to receive the benefit or a proxy of the recipient, the spouse\*1 or relatives within thirddegree (they all together should be called as [family member] herein) of the insured person or recipient of the benefit may claim the insurance as proxy of the insured person or recipient when they fulfil our certain conditions. Please explain it to the family member.

\*1 ońly legal spouse.

Pleasé be aware that a statute of limitations (3 years) applies to the right to claim insurance payments.

 If the insured person and so on acquires the right to claim damages or losses or acquires other claim as a result of damages, and Tokio Marine & Nichido Fire Insurance makes insurance payments to cover the damage, all or part of the claim shall transfer to Tokio Marine & Nichido Fire Insurance.

With respect to the personal liability coverage special provision and tenant liability coverage special provision, the insured person is able to claim for liability insurance payments and so on in the following cases, with the exception of expense insurance payments.

1. If the insured person has already settled with the other party for damages

2. If able to confirm that the other party has consented to an insurance payment to the insured person

3. If an insurance payment is made by Tokio Marine & Nichido Fire Insurance directly to the other party under the instruction of the insured person
